

## **MARCIA R. CALIENDO, CPC**

Prior to joining CCI in 1998 as a Senior Director, Marcia had over twenty (20) years of experience in the healthcare finance arena, with emphasis on Patient Financial Services management, Charge Description Master development and maintenance, Patient Access and Managed Care Contracting. She worked in hospitals in the Western Pennsylvania area with bed sizes from 200 to 750, and with staffing responsibilities of up to 80 employees.

At CCI, Marcia has performed countless audits in all aspects of healthcare, with emphasis on:

- Inpatient Rehabilitation (IRF-PAI review and CMG assignment)
- Outpatient Rehabilitation
- Medical Oncology and Infusion Services
- Physician Evaluation and Management Services
- Home Health (OASIS review and HHRG assignment)
- Cardiac Rehabilitation
- Outpatient Surgery
- All Hospital Outpatient Services

Marcia also conducts education and training on the following topics:

- Chemotherapy, Infusion and Injection, Hydration Services
- Physician Evaluation and Management
- Medicare Outpatient Rehabilitation Requirements
- Medicare Secondary Payer Regulations
- Medicare regulations for Billing and Registration

Additionally, Marcia has served in interim operational roles for clients in their Compliance Departments.

During her tenure at CCI, Marcia obtained her Certified Professional Coded (CPC) certification from the American Association of Professional Coders (AAPC), which gives her the unique perspective in analyzing issues from all aspects of the Patient Revenue and Integrity Cycle.
