

MARILYN B. CHEW, RN, MBA, LNHA, CPC, COC, CHC, LNCC, RAC-CT

Lyn Chew, a Principal of Compliance Concepts, Inc, has over 40 years of clinical and consulting experience in the health care industry. As a registered nurse, she initially worked with pediatric patients and then adult patients with traumatic brain injuries. Lyn also worked as a nurse reviewer and case manager and was a Vice President at Rehab Technologies, a subsidiary of Genesis Health Ventures, Philadelphia, PA. in charge of Subacute Care Programs and Medicare Revenues. Prior to joining CCI, she was a Manager for Moore Stephens Asher & Company, Accounting Firm in Philadelphia, PA. She is a Certified Professional Coder (CPC), Certified Outpatient Coder (COC), Certified in Healthcare Compliance (CHC), certified teacher of health education, Functional Independent Measures (FIM) certified for Inpatient Rehabilitation Facilities (IRF), Licensed Nursing Home/assisted living Administrator (LNHA) and a Legal Nurse Consultant Certified (LNCC) and a Resident Assessment Coordinator—Certified (RAC-CT).

Lyn's consulting experience includes facility operations and management advisory services with a specialization in coding and billing for practitioner services, research, hospice, home health, rehabilitation, Ambulatory Surgery Centers (ASC's), the long-term care industry with a focus MDS compliance and Medicare Advantage Plan Providers.

Lyn has focused her efforts on compliance training and education, the performance of billing, coding and documentation reviews, as well as forensic audits related to potential self-disclosures to Governmental authorities or in response to payer-initiated investigations. Lyn assists clients in fulfilling Corporate Integrity Agreements (CIAs) compliance requirements and Independent Review Organizations (IROs) for health care entities that have entered into a CIA with the Office of Inspector General (OIG). Lyn has been recognized as an expert in depositions, mediations and trials for health care entities and practitioners. In addition, she has served as the Federal Monitor for long-term-care facilities focused on quality of care, medical necessity and accurate MDS submissions.
