

Donna D. Wilson, RHIA, CCS, CCDS, CICA

Donna D. Wilson is a Senior Director with Compliance Concepts, Inc. (CCI) where she currently works performing inpatient coding/case management audits, providing support to providers for governmental audits, and preparing formal reports for submission.

She has been in the coding quality/health information management/clinical documentation improvement field for over 38 years, in progressively advancing roles. Donna also has extensive experience in providing education and training to physicians and coding/billing staff.

Donna is an active volunteer for, and has received numerous awards from both the American Health Information Management Association (AHIMA) and the state association in South Carolina (SCHIMA).

She has authored two AHIMA publications: *“Responding to a Recovery Audit Contractor (RAC) Evaluation”* and *“Benchmarking to Improve Coding Accuracy and Productivity.”* She also performed a technical review for the AHIMA publication *“Clinical Documentation Improvement for Outpatient Care.”*
