

HENRI-ALEXANDRE N. LÂUER, CPC

Alex Lâuer is a consultant in the Pittsburgh office of Compliance Concepts, Inc., where he is responsible for performing coding, billing and documentation reviews, and providing general and clinical compliance expertise. Mr. Lâuer has over 30 years of clinical and management experience in the healthcare industry. He began his career at The Mercy Hospital of Pittsburgh as a staff Respiratory Therapist and Polysomnographer, and was ultimately responsible for developing The Sleep Disorders Center, which involved the design and implementation of departmental policies and procedures, as well as the creation and maintenance of the Charge Description Master. He was also responsible for educational programs provided to staff, physicians, managed care insurers and other third-party payers, and was involved at the local, state and national levels regarding practitioner licensing issues.

At CCI, Alex serves as a Senior Director and is frequently called upon to lend his clinical background and expertise in performing compliance reviews for:

- Hospital Outpatient Services
- Ambulance Services
- Home Health and Hospice Services
- Physician Services
- Ophthalmic Services
- Radiation Oncology Services
- Statistical sample selections and overpayment projections
